

Work Experience Program with PwC Australia

Gain practical, real-world experience

We're excited to invite you to apply for a work experience placement available to Top Education students with PwC Australia.

Gain valuable experience supporting our Financial Advisory team either in the Employment Services, Global Taxes or Private Clients teams. Receive training from our experts and gain experience on client engagements, helping you to understand different requirements and apply your theoretical knowledge in the context of business.

Placements will commence from May 2019.
